MERITOR REPLACEMENT U-JOINTS

Meritor offers an extensive line of replacement u-joints for light-, medium- and heavy-duty applications. With its leading edge technology, the Meritor RPL is the only permanently lubricated driveline in North America. Our MXL is the only 100,000-mile lube interval replacement product for 10-Series' drivelines. All Meritor u-joints are qualified to the highest industry standards.
